ANNUAL REPORT 2025

the Just One Project

SHARING OUR "WHY"

OUR VISION

LASTING FOOD SECURITY IN SOUTHERN NEVADA THROUGH A COORDINATED SYSTEMS APPROACH THAT SUPPORTS HOUSEHOLDS NOW AND INTO THE FUTURE.

OUR CORE VALUES

RESPECT	INTEGRITY
INNOVATION	COMPASSION

HOW THE JUST ONE PROJECT SERVES SOUTHERN NEVADA

CREATING ACCESS	REMOVING BARRIERS	CONNECTING THE COMMUNITY

OUR MISSION

TO INCREASE ACCESS TO FOOD, RESOURCES, AND SUPPORTIVE SERVICES TO BUILD A STRONGER, HEALTHIER, AND MORE CONNECTED COMMUNITY.

LETTER FROM OUR CEO

A YEAR OF HEART, HUSTLE AND IMPACT

As we close another extraordinary year, this Annual Report feels much like a yearbook, a snapshot of impact told through data, photos, and the moments in between. It reflects the heart, hustle, and behind-the-scenes work of a team that shows up for our community every day, while also honoring the challenges we faced, the growth we achieved, and how far we've come since our founding in 2014. While we are a nonprofit, we operate with the mindset of a business, listening closely, adapting quickly, and evolving alongside our community to meet real, changing needs with intention and a gold standard.

2025 HIGHLIGHTS WE ARE PROUD OF

- Secured five-year funding in partnership with CCSD to support our No-Cost Community Markets across school campuses;
- Opened the Dolores Huerta Resource Center as the proud operator in partnership with the City of North Las Vegas, expanding our footprint where services are deeply needed;
- Welcomed Caesars Entertainment into our Food Rescue Alliance, strengthening our corporate and community partnerships;
- Expanded our Community Connect program by increasing state and county partnerships, including a collaboration with U.S. VETS through The BETterment Community, expanding our off-site case management footprint;
- Expanded our Shared Housing Program with state-level funding through the Aging and Disability Services Division (ADSD);
- Created the structural foundation for TJOP's Food Bank Arm, strengthening our ability to fill gaps and increase access to food where it is needed most. This milestone reflects who we have always been as an organization, one that listens closely, responds boldly, and rises to the occasion; one uniquely positioned to identify gaps, mobilize resources and expand services to answer with excellence when our community calls. It is a reminder of our unique role and responsibility to evolve alongside the needs of those we serve.

To our TJOP Team: Seeing you smile, doing what you love, while working alongside you every day to carry out our mission with such innovation, integrity, and love for our neighbors continues to be one of the greatest honors of my life. We are building something so special together and it will change the stories of so many families to come. You are the magical energy inside TJOP.

To our Volunteers: You are the lifeline of this organization. Your time, energy, generosity, and willingness to show up help make our mission possible. Each act of service creates so much love and light for the individuals and families we serve. You live our name with every volunteer shift, proving that it truly does take Just One act, Just One person, Just One moment, or Just One program, to change a life.

To our Community Partners, Donors and Supporters: Thank you for believing in our mission and investing in the work we do. Your support fuels our ability to serve with excellence and respond when our community needs us most. Every contribution helps strengthen and sustain this work and extend our reach. We are deeply grateful for your partnership and your commitment. When we collaborate, our community wins.

Most of all, **To the Individuals and Families we serve:** YOU are at the heart of everything we do and every decision we make. We will continue to show up for you, walk beside you, and create spaces and programs where dignity, choice, and care are always present and services are accessible.

Cheers to 2026! Can't Stop / Won't Stop!

Brooke Neubauer

CEO, The Just One Project

Romario was born with a chronic condition that affected his development, yet he maintained financial and housing stability for most of his life. Recently, a hospitalization and cancer diagnosis disrupted his ability to manage finances and remain housed. Delays related to insurance requirements and securing an approved oncologist added to the financial strain. Romario was about to fall through the cracks.

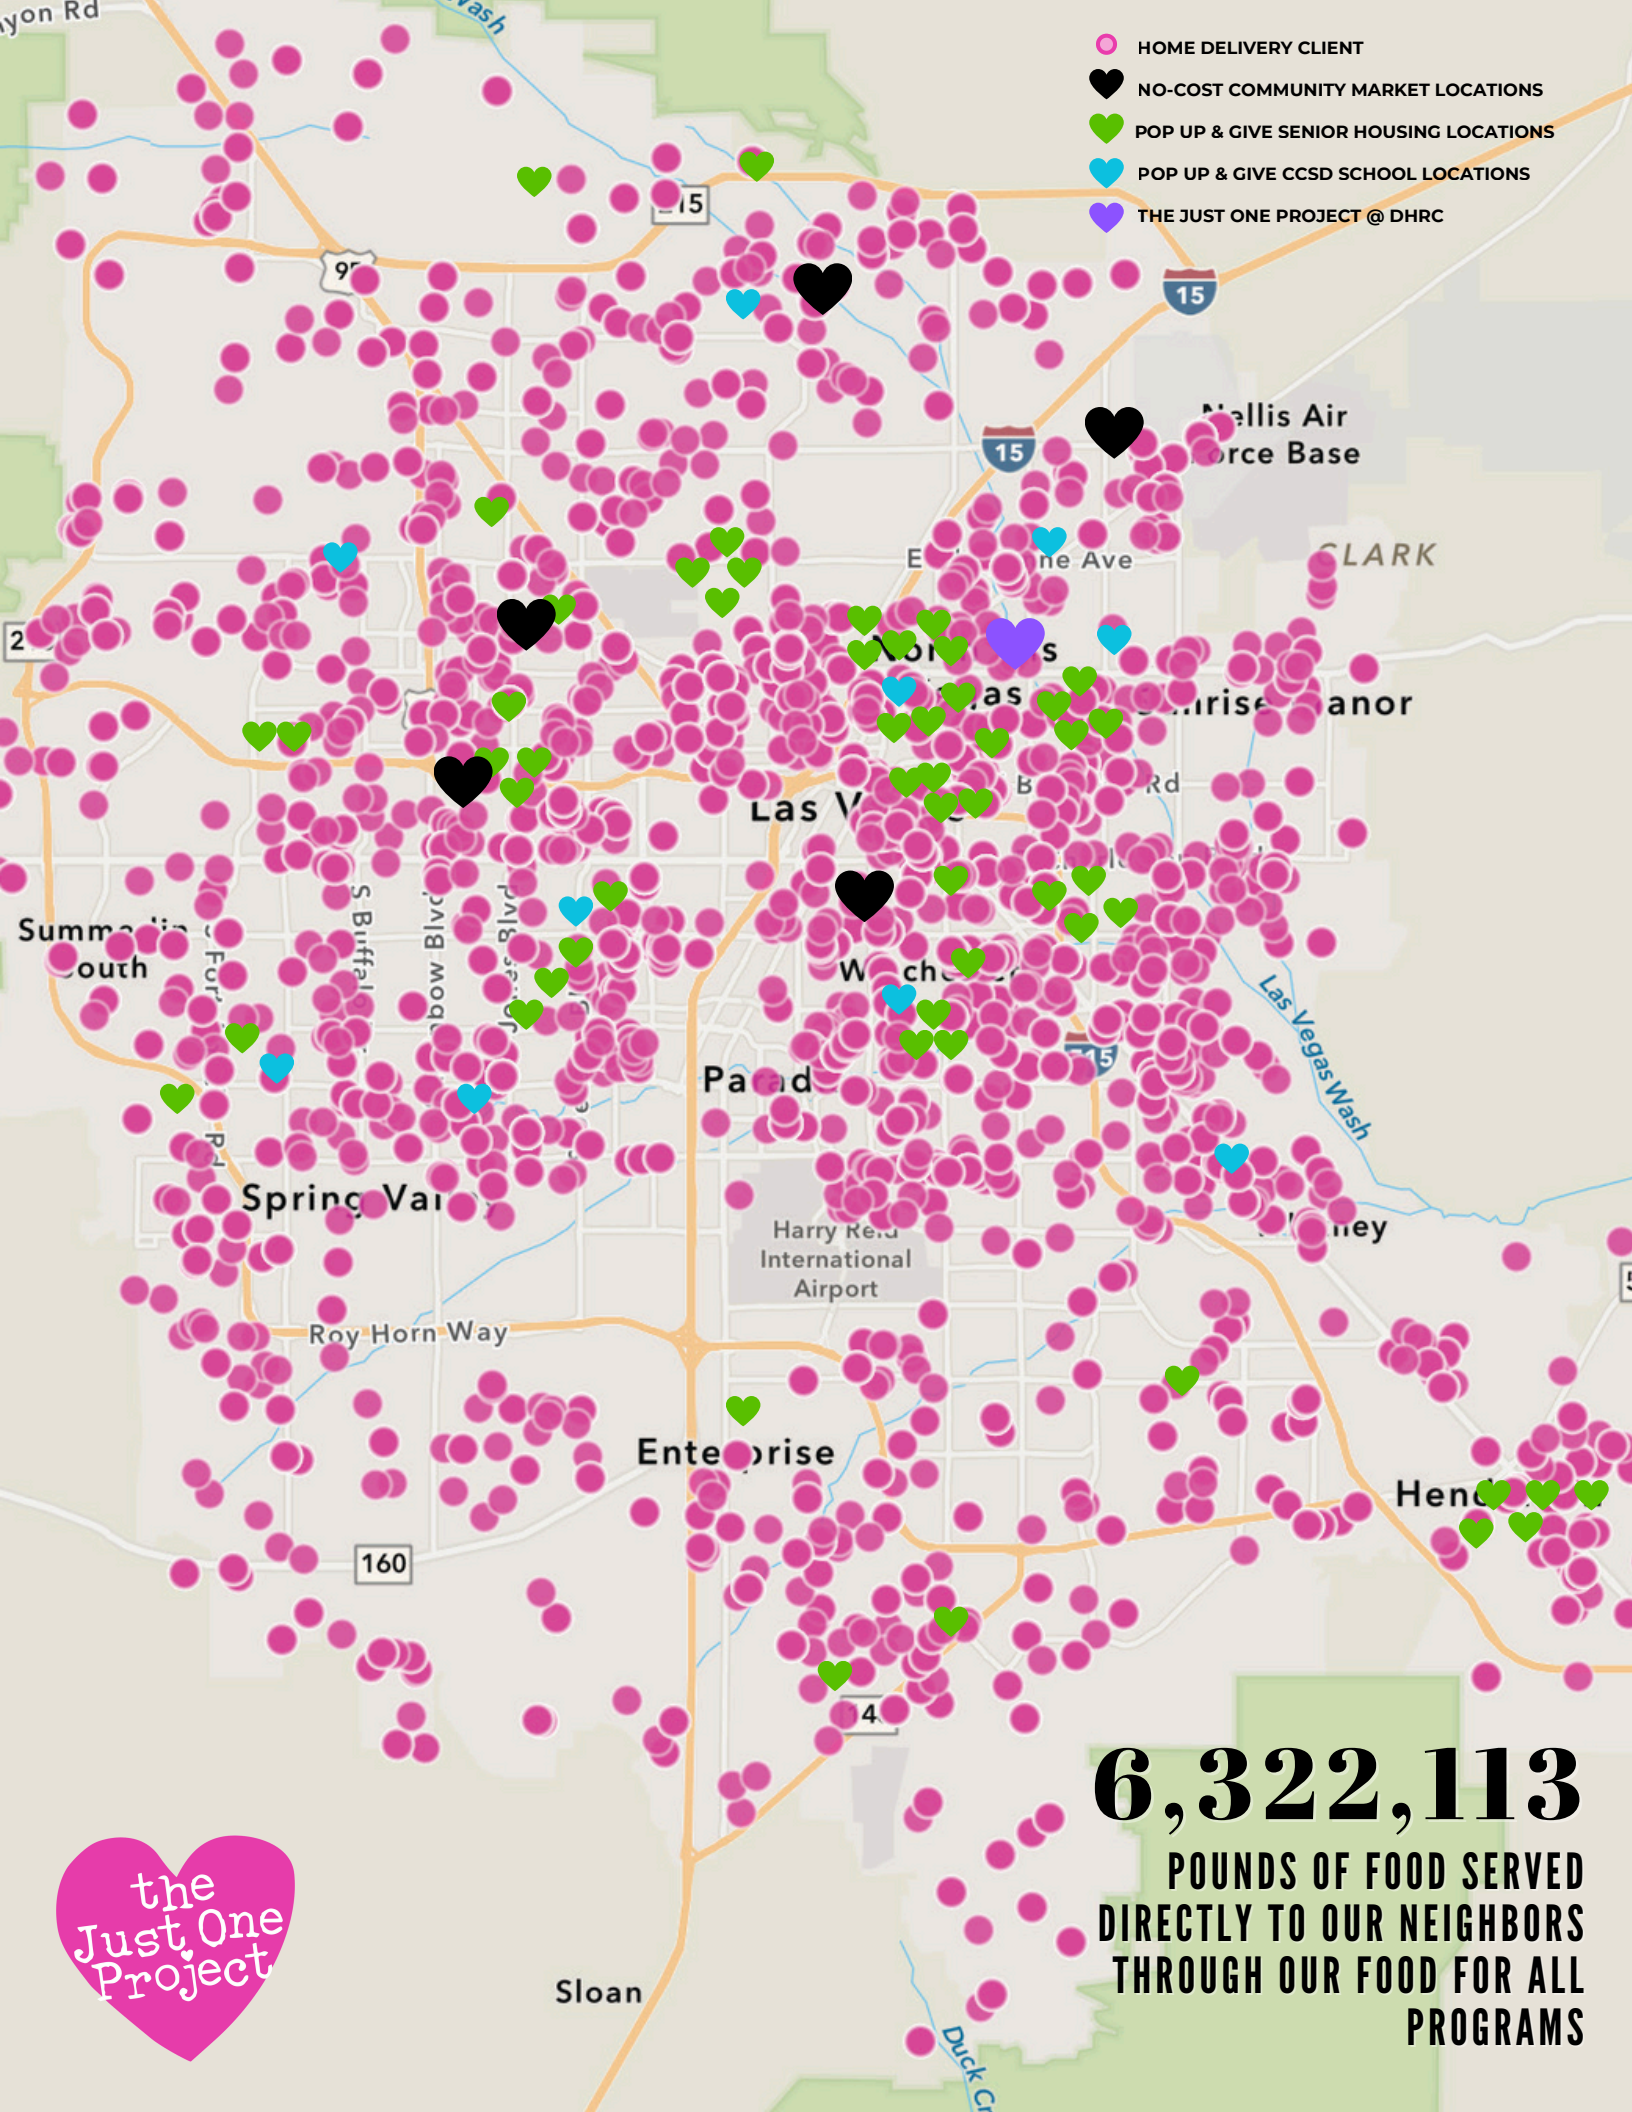

With limited support from family and friends, Romario became financially vulnerable. The Just One Project stepped in to provide rental assistance, preventing homelessness and helping him to remain housed and focus on treatment. Romario is currently receiving cancer care and recovering at home. The Just One Project continues to serve as a critical safety net for Romario as he works toward recovery and awaits medical clearance to get back on his feet.

REAL STORIES. REAL IMPACT.

Adam, Kayla, and their two children experienced homelessness after relocating to Southern Nevada for medical treatment for their child. After staying in a shelter, they were referred to The Just One Project for guidance and support. Within 30 days, the family was placed into their own apartment, giving their children a place to finally call home, feel safe, and have stability.

Adam has faced significant medical challenges that limit his ability to work. Through The Just One Project's coordinated resources, he connected with a Social Security attorney and successfully secured benefits. Today, their family is on a strong path toward stability and self-sufficiency, with continued support from their case manager.

FOOD FOR ALL

Food for All is the welcome mat of The Just One Project's work, ensuring neighbors have access to nutritious food with dignity and choice. Through markets, mobile distributions, and home deliveries, we meet immediate needs and strengthen community stability.

TJOP FLEET VEHICLES SERVING OUR COMMUNITY

HOW TJOP MEETS CRISIS WITH ACTION

During the government shutdown and lapse in SNAP benefits, our community faced increased need and The Just One Project was there to help. In 31 operational days, more than 73,000 people were served with care, urgency, and dignity.
Crisis doesn't wait and neither do we.

OUR FARMERS MARKET

Our Farmers Market provides fresh, nutritious food for better health outcomes because food is the foundation of well-being. This market is made possible by the generous support of Claggett & Sykes. Without their partnership, this vital program would not be possible. The market provides no-cost access to fresh fruits, vegetables, and quality proteins, along with nutrition education and resources that support healthier choices.

FOOD RESCUE ALLIANCE

The Food Rescue Alliance prevents quality food from going unused by rescuing surplus items and redirecting them to neighbors in need. Through a strong community partnership with The Venetian Resort Las Vegas, we are expanding access to nutritious food while reducing food waste across Southern Nevada. This program was made possible by their generous support and innovative approach to community impact. It is a powerful example of what collaboration can achieve and we could not do this work without forward-thinking partners like The Venetian Resort.

GROCERIES ON THE GO

Groceries on the Go is a first-of-its-kind grocery store on wheels, designed to bring fresh, nutritious food directly to communities with limited access to traditional grocery stores. This mobile market serves low-income and low grocery-access locations, allowing clients to shop with dignity and choose the items that best meet their needs. By meeting people where they are, Groceries on the Go removes transportation barriers while expanding access to healthy food options. The program accepts SNAP benefits, ensuring food access is both equitable and inclusive for the communities we serve.

COMMUNITY CONNECT

Our Community Connect Programs help households become or remain stable, independent, and self-sufficient. Through individualized and client-centered case management, targeted supportive services, and personalized assistance in finding and securing housing, The Just One Project helps households overcome barriers, access stable housing, and remain housed, ensuring short-term crises don't become lifelong setbacks.

THE JUST ONE PROJECT
@ DOLORES HUERTA RESOURCE CENTER

In early 2025, The Just One Project was selected through a competitive bid as the operator of the Dolores Huerta Resource Center, expanding access to critical support services for residents throughout our valley. Through this partnership, TJOP staff and case managers provide on-site case management and resource navigation, connecting individuals and families to essential services that promote stability and long-term well-being.

2025 EVENTS

On Cloud Wine

We are incredibly grateful to our guests, donors, and community partners who made this year's On Cloud Wine our most extraordinary yet. Together, we celebrated the mission and impact of The Just One Project, honored the inspiring Missy Young, and raised over $500,000 to support programs that remove barriers, create access and connect our community. This unforgettable night was our best year yet because of you and we can't wait to do it all again in 2026.

the Just One Project Big Cup TOURNAMENT

A huge thank-you to all our players, sponsors, and supporters for making our 4th Annual Big Cup Golf Tournament the most successful yet! We are thrilled to share that we hit our fundraising goal thanks to your generosity and enthusiasm. We couldn't have done it without your support and community spirit. We're already counting down the days until our 2026 tournament.
